

ONLINE LEARNING AND TRAINING & DEVELOPMENT EXPERT

Amy Ashmore holds a doctorate from the University of Texas at Austin. She is the published author of three books including *Five Steps to Master Any Online Course* and dozens of articles reaching over 500,000 people in more than 80 countries. A career Professor, Amy has been teaching and speaking since 1993 and has personally taught over 5000 students. Amy is the former Sports Sciences & Management Program Director with the American Military University and a regular consultant to numerous corporate and educational institutions. Her high impact workshops are designed to help you achieve success with online learning. A regular blogger on PsychCentral and a lifetime educator, she is dedicated to global access to online education for everyone.

PRAISE FOR AMY

"I have been privileged to have a professional association with Dr. Ashmore for the past 8 years, during which time she has impressed me with her unique ability to effectively bridge the gap between the scientist and the practitioner." – *Cedric X. Bryant, PhD, Chief Science Officer, American Council on Exercise*

"Amy Ashmore is a superb educator, whose enthusiasm for her subject matter bubbles over and reaches everyone in a room. Amy has been writing and presenting for IDEA since 2002. She can get a fitness professional audience more engaged in the topics of biomechanics and physics than you could ever dream possible! She is an intelligent professional and creative teacher, as well as a generous and delightful human being." – *Sandy Todd Webster, Editor in Chief at IDEA Health & Fitness Association*
